

# How to Create a Report in All Things Missouri

1. From the homepage, click the “Reports” button. Select one of the four available reports: Youth & Family, Business & Community, Health & Safety, or Agriculture & Environment

2. Next, select your county or Extension Region from the list. Then click the “Data Indicators” button at the bottom right.

3. Select indicators to include in your report. You can select an entire category by clicking the check box next to the category name. You can select individual indicator by selecting the check box next to the indicator name.

4. Click the “Reports” button to open your report.

## Business & Community Indicator Report

### Location

Clinton County, MO

### Income

#### Income - Families Earning Over \$75,000

In the report area, 49.15%, or 2,788 families report a total annual income of \$75,000 or greater. Total income includes all reported income from wages and salaries as well as income from self-employment, interest or dividends, public assistance, retirement, and other sources. As defined by the US Census Bureau, a family household is any housing unit in which the householder is living with one or more individuals related to him or her by birth, marriage, or adoption. A non-family household is any household occupied by the householder alone, or by the householder and one or more unrelated individuals.

Report Area	Total Families	Families with Income Over \$75,000	Percent Families with Income Over \$75,000
Clinton County, MO	5,673	2,788	49.15%
Missouri	1,551,056	752,680	48.53%
United States	79,849,830	42,444,697	53.16%

Percent Families with Income Over \$75,000

Note: This indicator is compared to the state average.
